

THE PC MEDIC

Computer running slow?
Applications not working properly?
Computer not starting?
All hope is not lost!!

LOWEST RATES IN THE AREA!!!!

I am conveniently located in the Preserve on Fellows Creek community. I'll be happy to pickup and deliver to all POFC residents or you are welcome to drop it off at my location.

I offer the following services to get you back up and running quickly!

- Spyware, virus, temp file removal
- Computer defragmentation
- Software installation and updates
- Hardware installation
- Data Recovery
- Hard Drive Formatting
- System Restoration to Factory Settings

If you have a computer problem not listed above, give me a call or send me an email to discuss it.

Please call or email for more information
or to setup an appointment
